SMOKE BLUFFS

TOPO VERSION: MARCH 6, 2010

NAMES IN BLACK = new in 2010

NAMES IN GREY = recleaned 2010

NAMES IN WHITE = existing line

1. **SEX** (.10a). 2010. Stem off a block to gain a steep corner. Burl up the corner then follow a whaleback arête to a steepening headwall (slow to dry). Handrail *right*, then layback up to the chains. 2 bolts + gear to 4".
2. **DRUGS** - PROJECT
3. **ROCK AND ROLL** PROJECT. recleaned and extended 2010.
4. **MR. BLACK** PROJECT
5. **SEAM OF DESTINY** (.10b). 2010. Start in a left-facing corner with 2 tree stumps. Climb the corner to rambling terrain, then continue straight up the splitter seam. gear to 2" + RPs
6. SPHINX'TER QUILTS (.8). 1986. An interesting face climb.
7. **NO-SEE-UM** (.9). 2010. Climb past a triangular block (crux) into a crack and an easier, well-protected V-chimney. gear to 2".
8. MOSQUITO (.8). 1980. The area classic.
9. S-M'S DELIGHT (.10b). 1980. Harder than it looks.
10. TWO SCOOPS (.12b/c). 2007. A left-facing corner marked by a block low down. A bouldery crux requires a hand/heel hook match, then a flaring hand jam to pull over a bulge.
11. PINBALL MACHINE (.10b). 1995. A left-leaning crack at the left edge of the cliff. Mossy... could use a recleaning.
12. **CURRY THE DOG** (.8). 1995; recleaned 2010. Directly above S-M's Delight, climb a short finger crack. gear to 1".
13. ALIEN SEX FIEND (.11a). 1983. Face climbing and mantles. A sandbag.
14. PHLEGMISH DANCE (.8). 1978. Fingers and hands in a corner.
15. ROLLING STONES (.8). 1986. Follow a rampy crack up and left. Overgrown.
16. **MY GENERATION** (.7). 2010. A short hand crack. gear to 3".
17. **RUBBER SOUL** (.9). 1986; recleaned 2010. A fingery, right-facing flake. gear to 1".
